THE PLANTATION CORPORATION OF KERALA LIMITED

MUTTAMBALAM P.O, KOTTAYAM

Report on the Financial Statements

We have audited the accompanying financial statements of The Plantation Corporation Of Kerala Limited ("The company") which comprise the Balance Sheet as at 31st March, 2017, the Statement of Profit & Loss for the year then ended and the Cash flow Statements for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the Accounting and Auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of

the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Basis for Qualified Opinion

- I. *Loans amounting to Rs.150 lakhs given to Kerala State Horticultural Products Development Corporation Ltd and Rs.25 lakhs given to Kerala State Coconut Development Corporation Ltd under Note No.11(4) are outstanding for a long period. It is further mentioned in the notes to accounts that Kerala State Coconut Development Corporation Ltd is under liquidation. The company has not created any provision for loss against the same. According to the information provided, the consequential financial impact is unascertainable since the quantum of possible recovery is unknown.*
- II. *Rs.48.21 lakhs shown under long term borrowing under Note No: 4 is due to the Government of Kerala for estate development being interest accrued and due which is subject to confirmation / adjustment by the concerned government department.*
- III. *Balance of some of the items under Other Current liabilities amounting to Rs.992.94 lakhs out of total of Rs.2932.83 lakhs under Note.7, Trade Payable amounting to Rs.63.18 lakhs under Note.6, Trade Receivable amounting to Rs.46.34 lakhs under Note.13, some of the items under Long Term Loans and Advances amounting to Rs.409.19 lakhs out of Rs.648.29 lakhs under Note.11 and Short Term Loans and Advances amounting to Rs.663.85 lakhs out of Rs.9983.56 lakhs under Note No.15 are subject to external confirmation, reconciliation and consequential adjustment if required. We have relied only on the books of accounts along with internal records maintained and information and explanation furnished by the company. The impact, if any, on the financial statements is not ascertainable.*
- IV. *The company has not charged depreciation on development of property on Note.9 for various cultivation Viz. Rs.73.02 Crores for Rubber plantation, Rs.9.79 Crores Cashew plantation, Rs.4.39 Crores for Oil palm plantation and Rs.0.46 Crores for other plantation. The company should have amortised the development of property on a systematic basis over their useful lives. The amount of such non- provision of depreciation pertaining to the current year and prior years is not furnished, the consequential impact on the financial statement is not ascertainable.*
- V. *The company has not recognized impairment of development of property with respect to Vanilla cultivation of Rs.5.23 lakhs in accordance with Accounting Standard 28. As a result we are of the opinion that the accumulated profit is overestimated to the extent of Rs.5.23 lakhs and development of property (Note:9) under fixed assets is overstated to that extent.*
- VI. *The company has shown subsidy received under the head of "Subsidy from Government" under Note.3 "Reserve & Surplus". The total subsidy from Rubber Board outstanding as on 31.03.2017 is Rs.150.48 lakhs and against cashew plantation is Rs.316.82 lakhs. These government grants related to specific assets should have been deducted from the gross value of the assets in arriving at their book value. Alternatively it could have been credited in the Statement of Profit & Loss on a systematic and rational manner over the useful life of assets in proportion in which depreciation on those assets charged. The above method of treatment as prescribed in "Accounting Standard 12 -*

Accounting for Government Grants” has not been complied by the company. The impact as a result of the departure on the financial statement is not ascertainable in the absence of relevant details.

VII. In the absence of records relating to sundry debtors against which provision for doubtful debts is created, we are unable to verify the correctness of the amount shown as provision for doubtful debts of Rs.13.88 lakhs. The impact of the above, if any, on the financial statement is not ascertainable.

VIII. The company has not reversed the excess provision for income tax created for the years prior to 2013-14. We are unable to quantify the impact of the same, if any on the financial statement.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at March 31, 2017 and its loss and its cash flows for the year ended on that date **except for the effects stated in Basis for Qualified Opinion.**

Emphasis of Matter

- I. Without Qualifying we would like to draw your attention to Note No.28 on Deferred Tax Assets and Liabilities. The company has not created any Deferred Tax Assets/Liability in the books of Accounts. The company has virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. Due to lack of information, we are unable to quantify the impact of the financial statements.

ANNEXURE – B TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in paragraph 2 (f) under ‘Report on Other Legal and Regulatory Requirements’
section of our report of even date)

We have audited the internal financial controls over financial reporting of The Plantation Corporation of Kerala Limited (“the Company”) as of 31st March, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors’ judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that –

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**REPLY TO THE COMMENTS OF STATUTORY AUDITORS
ON THE ACCOUNTS OF THE PLANTATION CORPORATION OF
KERALA LTD. FOR THE YEAR ENDED 31.03.2017.**

- I. The loan amounting to Rs. 150 Lakhs and Rs. 25 Lakhs are given to Kerala State Horticultural Products Development Corporation Ltd. and Kerala State Coconut Development Corporation Ltd. as per Government order GO(Rt) No 1546/96/AD dated 1/11/1996 and GO (Rt) No 1828/97/AD dated 1/11/1997 and the same are fully Government owned Public Sector Undertakings. As the payment of principal amount and interest are not regular, it may be noted that the matter was again placed before with the Government as the loan has been paid as per Government direction and the details for the same is shown in Note No.11(1)&11(2) forming part of financial statements.
- II. This figure remains in the Balance sheet for the last several years and relates to the penal interest provided for the Government loan granted to Plantation Corporation of Kerala Ltd. The Corporation has fully repaid the principal amount due and interest amounts on Government loan. Details are given in Note No.4 forming part of the Financial Statements.
- III. The report on the balance of each item under Current Liabilities (Note. No. 7) Trade Payables (Note. No. 6) Trade Receivables (Note No. 13) Long term Loans and Advances-(Note No.11) Short term Loans and advances (Note No. 15) and Capital Work in Progress (Note No. 9) are only a general statement and not specific.
- IV. The treatment of development expenditure for Plantation followed by the Corporation is shown in clause J of Note No. 1 significant accounting policies followed by the Corporation as on 31.03.2017. This practice has been consistently followed.
- V. As per clause J of Note No.1, the policy of the company in treatment of development of Plantations is clearly disclosed. The policy is that at the time of disposal of the plantation, the proceeds are treated as profit or loss after setting off the related development expenditure less subsidy, if any, received. Here there is no such disposal of plantation, in the case of vanilla cultivation. Vanilla cultivation is legally disputed in different Courts including Hon'ble High Court of Kerala. Therefore the writing off of this plantation has not been done during this year.
- VI. The treatment of subsidies is shown in clause K of Note No.1 Significant Accounting Policies Notes forming part of financial statements. The company is following capital accounting method as per AS-12. As the subsidy is not meant for the purpose of procurement of capital asset and moreover the development of property is not depreciable, the subsidy amount is not credited in development of property, but shown as separate head under Reserves & Surplus.
- VII. We are in the process of verification of "advance from customers", Sundry Debtors and Other liabilities.
- VIII. The company has not adjusted the provision of earlier years because the appeal has been preferred for the Assessment Years 2004-05, 2005-06, 2007-08, 2009-10, 2010-11, 2011-12 and 2012-13. So this excess provision may have to be utilized if there is any change in tax liability for those years.

In pursuance of the Government order (Rt) No. 1546/96/AD dated 01.11.1996, the Corporation has paid Rs. 1.5 crores to Kerala State Horticultural Products Development Corporation Limited. The K.S.H.P.D.C. has not paid principal portion of the loan or interest due to the Corporation. Vide Government letter 43999/PU1/97/AD Dated 09-07-1998 the Government requested Corporation's view on converting the loan given to KSHPDC into share capital. But the same has been rejected by the Government vide letter number 43999/PU1/97 dated 13-04-1999. Considering the precarious financial position the Board has decided to bring the matter before the Government and requested to reconsider the decision of the Government so as to allow the Corporation to treat the loan amount and interest on the loan paid to KSHPDC as loan. However the Government has not accepted the request and directed to proceed with the matter as already instructed i.e., to convert the loan and interest into share capital (Government letter No.28177 dated 01/10/99).

The Corporation's Board meeting held on 30.10.1999 has accorded sanction to convert the principal amount of loan to share capital. However, the Govt. of Kerala vide letter no. 3840/PU1/99/AD dated 10.01.2000 did not accept the proposal of the Corporation and has affirmed that the Govt., adheres to the earlier Govt. direction (letter No. 28177 dated 01-10-1999) to convert the principal amount of loan to share capital. The matter was again taken up before the Board of Directors and the board decided to convert the principal amount of loan to share capital and to request the Govt. to pay the interest to the Corporation rather than converting the same into share capital and the same was informed to the Government and high power committee, but the sanction was not yet received and the case is still pending at high power committee.

Meanwhile Agriculture (PU) Department vide letter No.6571/PU2/13/AD dated 19-07-2013 directed to waive the interest portion of the above loan. **REPLY TO THE COMMENTS OF SECRETARY, FINANCE (EXPENSIDITURE)
ON THE AUDITED ANNUAL ACCOUNTS FOR THE FINANCIAL YEAR 2016-17**

1. The loss for the previous financial year (2015-16) is Rs. 16.7 crores. The loss for the current year (2016-17) is Rs. 7.67 crores. In absolute terms there is a reduction in loss amounting to Rs. 9.03 crores in the current year.
2. The Corporation has been providing for the lease rent on a year on year basis. The Corporation has also been making lease payment regularly for the amount due from 2008-09 onward till date. There has been some issues relating to fixation of lease rent from the forest department. The Corporation will make payments on these amounts (which has already been provided in the accounts) as and when the issues are sorted out.
3. The Corporation is up to date in filing tax returns and replies to assessment notices. There is delay in posting the cases and issuance of assessment orders from departments concerned.
4. The Company is regular in paying statutory dues and there has not been any penal charges or interest reported for non-remittance of the dues.
5. In the comments of respected Secretary to Finance, it is mentioned that Corporation has not mentioned development of property in the balance sheet as an asset. This statement is not correct. We have shown development of property as "assets" in the financial statements. Please refer to Note 9 of the financial statements (Rs 87.66 crores).

As referred in the comments there is no situation of over /under stating of assets and liabilities. The developments of assets is shown at cost in the financial statement and the method of accounting followed constantly till date is as follows.

Expenditure incurred for the development of plantation (bearer plants) is capitalized and is shown in the Balance Sheet as tangible assets – "Development of Property as per Revised Accounting Standard 10". At the time of disposal of the plantation, the proceeds are treated as profit or loss after setting off the related development expenditure less subsidy, if any, received. (Refer note 1 (J) of notes forming part of financial statements).

6. Noted. For most of the trade receivables, trade payables, loans and advances and sundry debtors' individual breakups are available in the register maintained at various units.
7. Provision for tax liability during the year 2014-15 is provided based on the estimated income. The company has not adjusted the provision of earlier years because the appeal has been preferred for the Assessment Years 2004-05, 2005-06, 2007-08, 2009-10, 2010-11, 2011-12 and 2012-13. So this excess provision may have to be utilized if there is any change in tax liability for those years.
