NOTICE INVITING SEALED QUOTATIONS

Sub: Supply, Erection, Testing, and Commissioning of Heavy duty Submersible Pump set (Duty point: 100m Head @ 250LPM), Control Panel, Piping, NRV, Pressure Gauge, and Structural Accessories at Residential Complex, Vadavathoor, Kottayam – Reg.

Sealed competitive quotations in the prescribed BOQ format are invited from experienced suppliers/contractors for the above-mentioned work at the Residential Complex, Vadavathoor, Kottayam.

Earnest Money Deposit (EMD)	Rs.1,750/- (DD in favor of PCK Ltd, payable at Kottayam)
Last Date & Time of Receipt	23/09/2026 upto 01:00 PM
Date & Time of Opening	23/09/2026 at 02:30 PM
Completion Period	15 Days from the date of issuance of Work Order

TERMS AND CONDITIONS

- Submission of Quotation:** Quotations must be submitted in the attached BOQ format in a sealed cover duly superscribed "Quotation for Heavy duty Submersible Pump set Erection- Duty point-100m Head @ 250LPM– Vadavathoor Residential complex" addressed to the The Chief construction Engineer, PCK Ltd. Late or unsealed quotations will be rejected.
- Quality of Materials & Workmanship:** All materials supplied (Pumpset, Cables, Starter, Valves, Pipes, NRV, Pressure Gauge, and Accessories) shall be of standard first-class quality and must strictly conform to the approved brands/makes specified in the BOQ. Substandard or defective materials will be rejected, and the supplier must replace them with standard-quality items at their own cost.
- Execution & Commissioning:** The scope of work includes proper supply, erection, pipe fitting, NRV/Pressure Gauge installation, structural fabrication, and cable jointing required for the pumpset system. The work shall be deemed complete upon the successful commissioning and satisfactory operational trial run of the pumpset system.
- Warranty:** The supplier/contractor shall provide a minimum 12-month standard warranty for the pumpset, control panel, and major accessories against manufacturing defects or operational failures from the date of commissioning.
- Price & Taxes:** Rates quoted must be firm and all-inclusive (Cost of materials, GST, freight, unloading, labor, and fabrication charges). No escalation of rates will be allowed under any circumstances.
- Payment Terms:** No advance payment will be made. 100% payment will be released upon successful erection, testing, and commissioning of the pumpset system, along with the submission of standard test certificates, warranty cards, and tax invoice, subject to the administrative sanction and approval of the competent authority.
- Completion Period & Liquidated Damages:** The entire work must be completed within 15 days from the receipt of the Work Order. Delay in execution will attract standard liquidated damages as per corporation rules.
- Right of Acceptance:** The Management of PCK Ltd. reserves the right to accept or reject any or all quotations without assigning any reason whatsoever.
- Mandatory Site inspection:** Before submitting the sealed tender, all prospective bidders are mandatorily required to visit and inspect the site of work to fully acquaint themselves with the actual operating conditions,

dynamic head, piping layout, electrical infrastructure and accessibility.

10. **Safety Regulations and Liability:** The supplier/contractor shall comply with all safety requirements during the execution of the work and shall be responsible for the safety of his workers and tools/equipment at the site.
