**25.04.2025**

SEALED competitive quotations are invited for the supply of **50Nos. Polypropylene (PP) Drum 110Ltr. Capacity** for the year 2025-26

- 1) The quantity mentioned in the schedule is only approximate and the supplier will have to effect the supply of the entire quantity mentioned in the Purchase Order.
- 2) The rate to be quoted by the tenderer should be for the supply at units as shown in the Schedule. The rate should include all taxes, duties, cesses, loading and unloading charges and transporting charges for the supply of the items in the various places. The rate should be firm till the supplies are over. No price variation clause will be entertained. The conditions printed or otherwise added to the tender will not be binding on the Corporation.
- 3) Supply of the material should be made strictly as per the sample approved by the Corporation. If the supply do not conform to the above specification /approved sample such part of the material received will be rejected. The resultant losses and expenses thus sustained to the Corporation will be fixed by the managing director and the same shall be realized from the Contractor. The decision of the Managing Director in this regard will be final.
- 4) The acceptance of the tender rests with the Managing Director who does not bind himself to accept the lowest rate or any other rate.
- 5) As this is a sealed competitive quotation, normally negotiation will be held with the lowest quoted party. But if the company felt that the rate quoted by the lowest party is not reasonable or if the company desires to have a contract with more than one supplier the company has the right to negotiate with any of the other parties participated in the tender and whose samples are approved.
